

What's on www.learningpool.com?

Our website is the online home of Learning Pool and is continually updated. Here is a brief overview of the site and what you can find where.

Home

Latest news from the public sector, our weekly poll, latest blogs, latest discussion forum postings, latest courses to be uploaded, featured podcast.

Courses

Log in to view the complete course catalogue. Search for courses by keyword, by category and by type of course. You can save your favourite courses too. Two free courses are available – Creating your e-learning strategy and Introduction to Local Government. Download a list of the complete course catalogue.

Create

Learn all about the Authoring Tool, download your copy of the software and it's updates and registering your copy here (once you've logged in).

Images

Log in to choose from over 1,000 relevant images to add to your e-learning. You can also edit your chosen image within the tool too.

Share

All about how to share the e-learning you've created back into the Learning Pool catalogue, including access to easy Sharing Tool.

DLE

Features of the DLE are highlighted here plus costs, upgrades and a podcast from a customer giving their opinion of the DLE.

Events

View the latest events and search by region, date and type of event. Book your place and pay online if required. Upload your own event for us to publicise, suggest an event and view photos.

Resources

Our reference library includes the latest monthly newsletter, News Splash; 701 Free e-learning tips; Technical guide; Authoring Tool guide; DLE user guide. Plus a presentation about Learning Pool for you to deliver to your colleagues. View our podcast library, download our glossy leaflets and consult our FAQ's (and add your own if you don't find what you need).

Services

Detail about all our services including costs; core subscription; DLE; Modern Councillor; Modern Governor; Modern Mentor; Content development and other e-learning we're offering from our partners.

Forum

Here you can post a discussion point, ask a question or make an observation and the members of the Learning Pool community will join in with you!

Customers

Read testimonials, case studies and 60 seconds interviews with our customers.

TV

Free to subscribers, LPTV gives you access to an online video storage and sharing space. You can post files and make them available to just your organisation or to the full LP community. These videos can then be linked to your DLE or any course created in the Authoring Tool.
