

## Information Governance e-learning price list

---

### Annual subscription for the generic content

Number of employees	Annual Subscription (£)
Up to 2,500	£2,000
Between 2,501 and 7,500	£3,500
Over 7,501	£4,500

### Re-branding

Apply client logo and branding scheme to the course templates. One off cost of £1,000

### Basic level tailoring

Questionnaire based approach to allow specified content to be amended for a client. This will include a personalised welcome from a senior manager within the organisation and information about specific initiatives, processes, policies and procedures and links to intranet/internet based content. Changes will be made to both the visual and audio assets included in the programme.

One off cost of £2,750\*

\*inclusion of a personalised video welcome message is available for an additional £650 including recording costs.

### Advanced level tailoring

Consultative type approach to review each screen of the programmes and identify any changes required to the generic content in terms of text, visuals, links and audios. Allow for up to 4 new screens of content.

One off cost of £6,000\*

\* this assumes 12 development days required to make changes.
